

The Raleigh Regional Association of REALTORS®
Community Service Committee Presents

Project Angel Tree 2009

The holidays are quickly approaching and you can help put a smile on a child's face by participating in Project Angel Tree 2009. The RRAR Community Service Committee is proud to sponsor this initiative, which provides gifts to children who would otherwise go without.

Project Angel Tree has proven to be a success in the past. To date, RRAR has donated more than 11,000 gifts to deserving families in the Triangle. In these challenging economic times, your support is needed more than ever.

Real estate offices wishing to participate in Project Angel Tree should follow these steps:

- Contact **Priscilla Erwin** at **919-654-5400, ext. 216** or via email at **priscillae@rrar.com** (*Subject Line: Project Angel Tree*) to submit the number of angels your office would like to adopt. Please designate one staff member as the contact for your office. **Deadline to adopt is November 2, 2009.**
- You will receive your requested number of angels the week of November 6th. Each paper angel will have written on it a code number, age, sex and desired gift from their wish list. Each angel will also have a self-adhesive backing, allowing you to peel it off and apply to the wrapped gift. *Please follow any additional directions listed on the angel.*
- **All gifts must be new purchases.**
- Deliver your gifts with angels attached to RRAR by **December 3, 2009.**

**Please check to see if your company is committed before registering individually.*

If you have any additional questions about Project Angel Tree 2009 or if you are interested in joining the Community Service Committee, please contact Priscilla Erwin at 919-654-5400, ext. 216 or at priscillae@rrar.com. Thank you for your help in enriching the lives of those less fortunate.
