About our classes

Triangle MLS understands how important mastering the MLS system is to your success.

Our goal is to partner with you and equip you with the skills and knowledge necessary to conduct your business effectively.

All of the classes that are offered in the Computer Training Center (CTC) are designed with that in mind.

Whether you are just starting out, need a refresher, or want to learn some new tips, we are confident you will find our classes relevant, informative and helpful. And there's never an extra fee!
